

Now, Transact with your Mobile Phone!

Bank of India in association with PayMate offers you the convenience paying for utility bills, mobile recharge, movie tickets, online purchases, retail shopping and much more at over 15,000 merchants directly from your mobile.

How does PayMate work?

PayMate lets you link your mobile to your Bank of India account enabling you to make secure transactions directly from your mobile. You authorize every payment with your ATM-PIN and the amount gets charged directly to your account.

Why PayMate?

Safe: No need to reveal your account details while paying

Convenient: All you need is your mobile to pay from anywhere, anytime

Secure: Works on all mobile handsets and operators (GSM & CDMA)

Free: Absolutely no extra charges for using the service

What can you do with PayMate?

You can use PayMate at over 15,000 merchants to pay for:

- Recharging your mobile phone talk-time
- Utility bills like electricity, mobile, landline etc
- Shopping & restaurant bills
- Online payments

....And so much more!

How do I become a PayMate user?

This mobile payment service is available for all Bank of India customers. Contact your Bank of India's branch for registering and availing PayMate mobile payments services.
