

USD CHEQUE TRUNCATION FACILITY

Bank offers Final Credit Services (FCS) facility covering all USD denominated cheques of 2500 and above, under which our customers are afforded prompt credit of the cheque proceeds. The unique feature of this product is that, such credits are without any recourse to the Customer/Bank in the event of delayed return of cheques on account of fraud/alteration etc.

We also have tie up arrangement for "Check 21" facility where all USD denominated cheques below 2500 are cleared by electronic delivery of 'imaged instruments' which reduces cheque realisation period by 2-3 working days. This also reduces cost of transit and possibility of fraud/forgery.

FOREIGN CURRENCY & FOREIGN CURRENCY TRAVELLER'S CHEQUES

Bank has tie up arrangement with 'Thomas Cook' and 'UAE Exchange' for delivery of Foreign Currency and Foreign Currency Traveller's Cheques at your Branch of the Bank or at your door step on the same day.
