2. BANK'S EXISTING SOCIAL MEDIA PRESENCE

The Bank has a good presence on Social Media with 1.19 lakhs +followers on Facebook and 28k+ on Twitter.

The Bank seeks to engage an experienced service provider to substantially revamp and manage the social media presence on an ongoing basis. The intention is to engage with our audiences especially the younger generation and use social media channels do so in a cost-effective manner.

Today most customers rely on the internet and mobile phones to meet their banking needs. Technology has redefined the manner in which consumers make financial decisions and purchase financial products. It is becoming increasingly important for brands to cater to these changing needs with a smooth experience across the entire path to purchase. One of the important channels to reach out to customers is through search engines as they are the primary source of information for customers. It is imperative that our website and its content should figure out for searches made for various banking services.

We also seek Search Engine Optimization (SEO) service for our Bank's product and services which shall help us in generation of leads and conversion of these leads into business as SEO increases the amount of website visitors by getting the site to appear high on results returned by a search engine.
