

Steps for e-Verification of Income Tax Returns through Bank of India Internet Banking

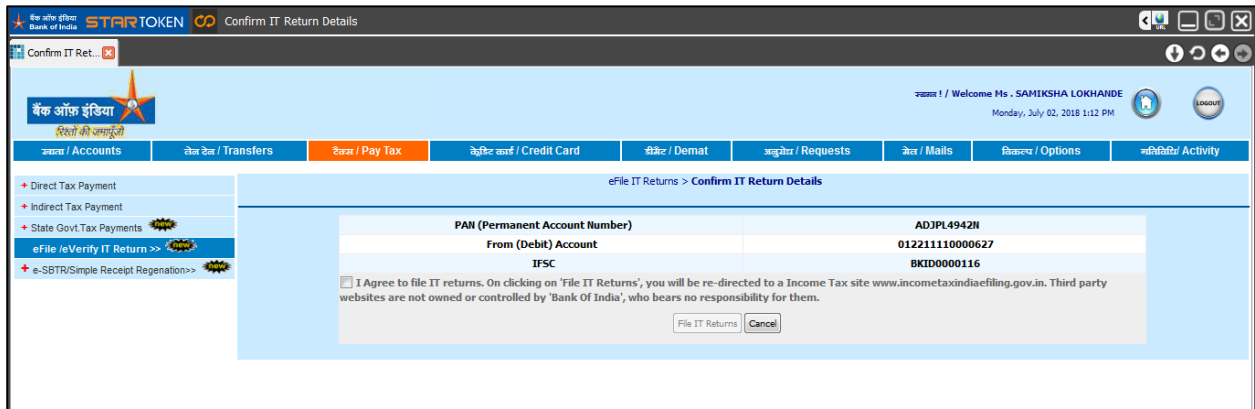

- Login to Bank of India Retail Internet Banking
- Go to Menu 'Pay Tax'

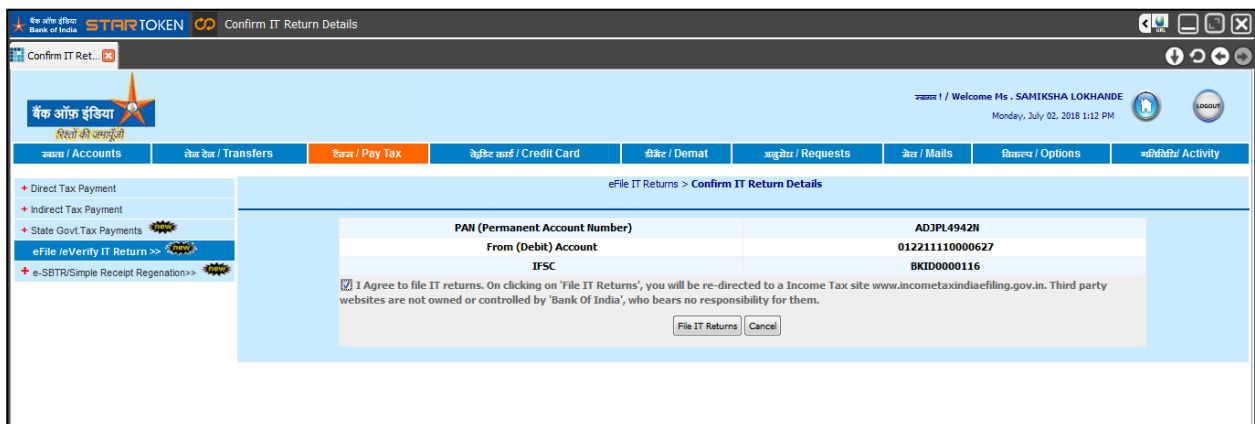

- Click on option 'eFile/eVerify IT Return' in the left panel
- The PAN number registered with Bank will be displayed
- Choose any one account number from the drop-down and type the IFSC code of the branch to which the selected account belongs and click on Submit

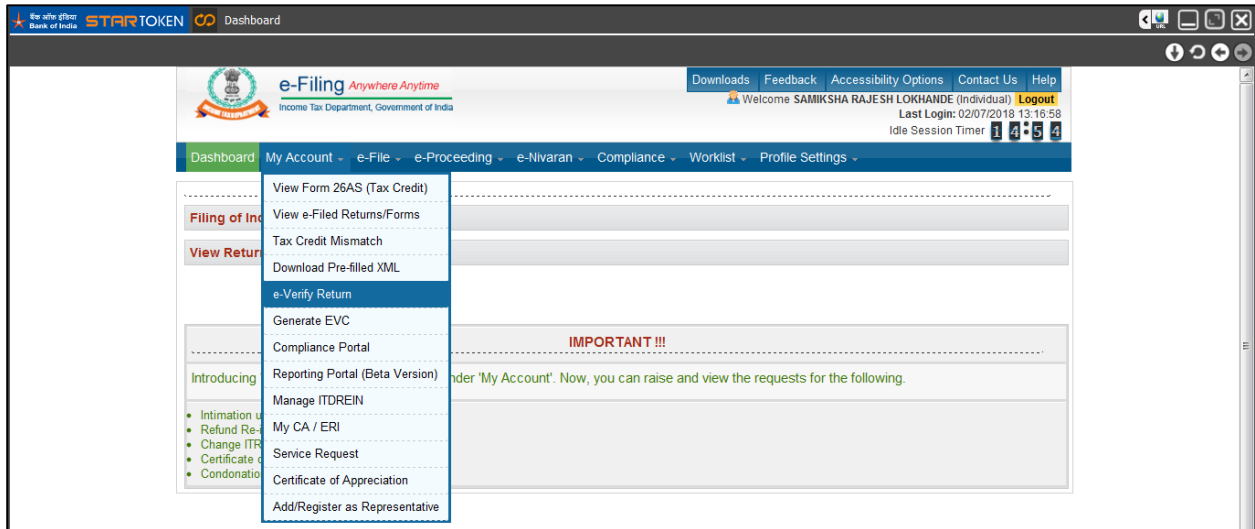

- Declaration shall be displayed as in below screenshot. Select the check-box.

- The button for 'File IT Returns' shall be enabled upon selecting the check-box. Click on the same.

- User will be redirected to the e-Filing portal where user will be auto-logged on to e-filing account. Following screen shall be displayed.
- Click on 'My Account' and select 'e-Verify Return'

- The IT returns pending for verification will be displayed on the portal.
- Click on the e-verify link here displayed against the particular IT return which has been filed.
- Select e-verification through net-banking and submit the request. The ITR shall be instantly e-verified and status will be available on e-filing portal immediately.
- Logout of the e-Filing portal session and then from Internet Banking session.
